Dear Business Owner,

Academic Pathways Co-Op Preschool in Livonia, Michigan is a non-profit cooperative school owned and operated by over 30 families in the community. At this time we are actively seeking donations for our Annual Dinner Auction that will be held on Friday, March 5, 2010. The proceeds of this event will be used to supplement our operational costs for the 2009-2010 school year. Our goal is to raise enough funds to continue to provide students with the education standards our school upholds. In addition, Academic Pathways is seeking to expand our operation by adding additional classes to the current programs offered. With your contribution you can help make this possible!

This will be our largest fundraiser of the school year and we are expecting approximately 200 guests to attend. All businesses that donate will be advertised in our school newsletter, as well as, on the donation tables at the auction and in our auction programs. The advertisement would include company name, phone number and website address.

We appreciate any type of donation you can offer: monetary, product and/or service or gift certificates. Your donations will not only help the preschool, but also bring new customers to your business. For planning purposes, we ask all business owners to please respond before Friday, February 5, 2010.

Academic Pathways Co-Op Preschool has been a member of the Livonia Community for 35 years. The preschool offers a developmentally appropriate mix of academic preparation and play-based learning. We are committed to providing our affordable, quality education to young children. With a dedicated volunteer parent board of directors, parents committed to their child's education and businesses like yours; our school will continue to be a vital part of the community.

Please feel free to contact me with any questions. Thank you for your time, thoughtful consideration, and we look forward to hearing from you!

Fondly,

Chrissy Detary
